

FIRE BY FRICTION WORKSHOP DAY

The skill of making fire by friction is one of the oldest methods that directly links' us to our earliest ancestors. This day is devoted to using the bow-drill method of friction fire lighting. We will discuss the best woods to use, techniques and tips including group bow drill and having learnt some basic knife skills, participants can have a go at making a bow drill set to take away at the end of the day.

Date: 6th April 2013

Start/finish : 9.30 – 4.30

Venue: Woodland Play Centre, Crowcombe, Somerset.

Cost: £50.00

Please bring a packed lunch and a mug. Soup/hot/cold drinks/biscuits provided.

The course leader is George Yeomans, a qualified Outdoor Education Teacher, Bushcraft Instructor and Forest School Leader.
